USEF has released new dressage tests that will be in use for the next three years in dressage competition. This is a wonderful opportunity to come and learn the changes in the new tests Training-Fourth Level. NEWDA Eastern Chapter is proud to host Anne Cizaldo, USEF “S” dressage judge, USDF Gold medalist, CDI small tour and grand prix competitor. Anne will be fresh off the Florida season with incredible insight on how the tests have been riding and how to better prepare yourself and your horse for the upcoming Midwest show season!

Friday night will consist of a powerpoint and lecture highlighting some of the changes to the tests and new rules that competitors need to be aware of. This session will take place at the Washington County Fairpark located at 3000 Hwy PV, West Bend, WI from 6pm to 8pm. Refreshments and appetizers will be available.

Saturday we will have demonstration rides of each level Training-Fourth Level and an added bonus of some FEI rides. You will hear feedback both as a judge and trainer on how the tests are scored and how to train for higher scores at each level. This portion of the symposium will take place at Bannerview Farm, N1172 Lone Pine Rd, Adell, WI from 8:30am-5:00pm.

Everyone that rides, shows, or uses dressage in their training will come away from this symposium with more knowledge and understanding of the new tests and principles and ideas they can apply to their own riding.
